

Elevated delivery pressure agreement

For requests above 2 psi

Customer / facility name _____

Address _____

City / State / Zip _____

1. As the contractor/customer requesting delivery pressure above 2 psi at the facility listed above, I accept complete responsibility that the system downstream of the gas meter set is able to accept the requested delivery pressure.

REQUESTED DELIVERY PRESSURE _____ PSIG

2. All necessary permits and inspections have been or will be obtained prior to gas hook-up.

3. The system downstream of CenterPoint Energy's meter set has been or will be air tested and meets all federal, state and local code requirements prior to gas hook-up.

CONTRACTOR / CUSTOMER REPRESENTS TO CENTERPOINT ENERGY THAT THE CUSTOMER'S GAS PIPING IS ABLE TO ACCEPT A MAXIMUM OPERATING PRESSURE OF _____ PSIG.

4. The entire gas system, including individual pressure regulators and equipment control, meets all regulatory code requirements at the elevated delivery pressure.

CONTRACTOR/CUSTOMER REPRESENTS TO CENTERPOINT ENERGY THAT THE CUSTOMER'S GAS REGULATORS AND EQUIPMENT ARE ABLE TO ACCEPT A MAXIMUM OPERATING PRESSURE OF _____ PSIG.

5. It is my responsibility to reconnect the fuel line to the meter and gas up the system.

6. By signing this agreement, I understand and accept complete responsibility to ensure the gas system, including individual equipment regulators and controls downstream of CenterPoint Energy's meter set, is able to accept the requested elevated delivery pressure.
